**Terms and Conditions**

This Office depends upon reimbursement from the patient for the costs incurred in their care. The financial responsibility of each patient must be determined before treatment.

As condition of treatment by this office, I understand financial arrangements must be made in advance. All emergency dental services, or any dental service performed without prior financial arrangements, must be paid for at the time services are performed.

I understand that dental services furnished to me are charged directly to me and that I am personally responsible for payment. If I carry insurance, I understand that this office will help prepare my insurance forms to assist in making collections from insurance companies and will credit such collections to my account. However, this dental office cannot render services on the assumption that changes will be paid by an insurance company.

**Assignment of Insurance:** I hereby authorize release of any information needed and also authorize my insurance company to pay directly to This Office benefits accruing to me under my policy.

I understand that the fee estimate listed for this dental care can only be extended for a period of 90 days from the date of the patient's examination.

I agree that in the event that either this office or I institute any legal proceedings with respect to amounts owed by for services rendered, the prevailing party in such proceedings shall be entitled to recover all costs incurred including reasonable attorney's fees.

I grant my permission to you, or your assigns, to telephone me at home or at my work to discuss matters related to this form.

I have read the above conditions and agree to their content.
